

Hello. This is a curated selection of projects I've had the privilege to work on, with the guidance and help of the brightest and smartest individuals I know. Showcasing the work we've done together is my way of honouring them. I hope you like what you're about to see.

THE WORK.

Airport Transportation

Hotel shuttle buses are not permitted to wait for guests at the airport arrival hall. Therefore we recommend a taxi as the most convenient transportation to Bucuti. The rate is approximately US\$26. The one-way trip from the airport will take about 15 minutes. To arrange a private transfer, please contact concierge@bucuti.com.

Wellness Program

Stay healthy, fit and feeling your best during your time in Aruba. Isabel, our wellness specialist, will design a customized program to support your wellness goals in nutrition, fitness, mental wellbeing and mind/body balance.

Contact Isabel before your visit to begin customizing your wellness program.
